Julie,
We had so much fun together last year, especially in study hall. Good luck in all that you do.

Love,
Barb

Julie,
Sorry it took me so long to get this back to you. We had a lot of fun times & good talks last year - especially in P.E. I hope you won't forget them - I know I won't. Lot's of 'good luck' in cheerleading & in track, I know how much they both mean to you. Take care & try to keep those Braun boys in line!

Love,
Tammie -

Julie. 12/11/80

So I'm the first one to sign your annual! You're doing a super job cheering on the boys at the wrestling meets.

You and I make the most unique pair in chemistry. I mean the way it's going we could major in it! Good luck with it. I hope to stay friends always!

[illegible]

Julie.

well, signing yearbooks arent exactly my finer points, but I'll try my best to do so. I could say alot of things but I won't. You and I sure haven't exactly hit the road to fortune and fame. Someday maybe it will be different, and times will go right.

Julie,
I wanted to write on the wrestling page, but there's hardly any room. So, here I am on Golf! Oh well. Wrestling has been fun so far this year... but State should be the best of all. I can't wait! You have been such a good friend to me, ever since I first met you (when I was totally infatuated with Mike). You're always so nice to me, and I want you to know I appreciate it! Thanks for being a good friend. Let's keep in touch... ALWAYS!!!

RAIDERS

Mr. Sheehan's class trying out a 50's fad. Here are some fads that developed during the 70's

Everybody had: Blue track shoes & Printed "T" shirts. Disco music played on the radio & #10 with braided hair hit the movies. How about Jaws I & II. Star Wars was a biggy with the promise of more sequels to come.

Western wear (cowboy hats & Boots became the fashion, Lori Uhings favorite!

It was the end of the Viet Nam war and the beginning of gas shortages & the Iranian Hostages. Guys worried about the re-instatement of the draft, so did the Girls. There were recessions & inflations, Saturday Nite Live and Charles Angels on the tube.

'the basic steps'

Julie,
I always try and think of some original way to sign annuals but I always end up with the same 'ole way!
Lots of luck in everything you do and try. I ~~bet~~ your doin a super job cheerleading. I'll have to be sure and come see you sometime.
If you noticed my little mistake in the 2nd paragraph; 3rd line; 1st word (Ha Ha) - I am writing in the dark. You see we had a film in Chemistry and it got kind've boring (doesn't it always) Anyway...
You had a super season in volleyball and you'll probably have one in track too. Thanks for being such a super friend. You always know what to say when I talk to you about my problems. Your just an all around great friend. I wish you all the luck in the world with that special someone (!?) (even though you don't need it.) You did a great job in the plays. You make a cute little actress!! Good luck again!
Friends forever

Julie Braun How about that
I really don't know what to ~~go~~ say to you because you've been such a damn good friend you've helped me when ever I needed it. Even though I may not show it at times I really do like you. Even though we don't agree on sports but I love B.B. I hope in the future we get to know eachother better and still keep our friendship

Love ya much always and for ever Berry

Julie,
Well first of all - Merry Christmas! & Happy New Year! You did a good job in the play even though we didn't jam-pak the house. Have fun with wrestling, you cheerleader you! (No more mat-maiding for you) Tell Irene & Tom and all Hi!
As Ever - Jon

Julie,
Good luck to you in the future although I know you don't need luck to succeed. Always remember the good times in the spring play & the Kansas City band trip. Hopefully we have a winning record in Chamber Choir this year!
Your friend always,
Vicky

Julie (Dearest),
Just think we are almost Seniors! I think us sophomores are ready for the "big" step up. There are sooo many memories! All the victories of volleyball and our boy watching are ones to remember. Dont forget that one of these days they will be starring at us!! Remember all the Fridays we came in our little cheerleading skirts and all we could talk about was "oh my legs look so ugly" "oh me" "I think I'm getting goose bumps." "Did you know goose bumps make the hair on your legs grow faster!" Yea Yea... we get silly when we get nervous. I'll always remember the times we spent together at the trackmeets trying to ease each other their nervousness. I get nervous just thinking about it! Try to behave in future years and stay just as sweet as you are now. Goodluck in all you do and always remember me and our crazy experiences together!!
Your Friend Always
Ann
